Reported under authority of the order of the Senate of March 25, 1999, by

A BILL

To require the Secretary of the Interior to establish a program to provide assistance in the conservation of neotropical migratory birds.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Neotropical Migratory
3 Bird Conservation Act”.

4 **SEC. 2. FINDINGS.**

5 Congress finds that—

6 (1) of the nearly 800 bird species known to
7 occur in the United States, approximately 500 mi-
8 grate among countries, and the large majority of
9 those species, the neotropical migrants, winter in
10 Latin America and the Caribbean;

11 (2) neotropical migratory bird species provide
12 invaluable environmental, economic, recreational,
13 and aesthetic benefits to the United States, as well
14 as to the Western Hemisphere;

15 (3)(A) many neotropical migratory bird popu-
16 lations, once considered common, are in decline, and
17 some have declined to the point that their long-term
18 survival in the wild is in jeopardy; and

19 (B) the primary reason for the decline in the
20 populations of those species is habitat loss and deg-
21 radation (including pollution and contamination)
22 across the species’ range; and

23 (4)(A) because neotropical migratory birds
24 range across numerous international borders each
25 year, their conservation requires the commitment

1 and effort of all countries along their migration
2 routes; and

3 (B) although numerous initiatives exist to con-
4 serve migratory birds and their habitat, those initia-
5 tives can be significantly strengthened and enhanced
6 by increased coordination.

7 **SEC. 3. PURPOSES.**

8 The purposes of this Act are—

9 (1) to perpetuate healthy populations of
10 neotropical migratory birds;

11 (2) to assist in the conservation of neotropical
12 migratory birds by supporting conservation initia-
13 tives in the United States, Latin America, and the
14 Caribbean; and

15 (3) to provide financial resources and to foster
16 international cooperation for those initiatives.

17 **SEC. 4. DEFINITIONS.**
